

Under Rule 77 of Rules of procedure and conduct of Business in A.P. Legislative Assembly, based on the Cabinet Resolution No. 21/2020, I intend to move the following resolution:

1. National Population Register (NPR) in its current format is causing fear, apprehensions and insecurities in the minds of the people of Andhra Pradesh. Addition of new columns, specially pertaining to the parents place of birth and date of birth, mother tongue etc., in NPR – 2020 has led to unnecessary confusion and lack of trust among the public to the extent of impinging on public order.
2. Under these circumstances, the Government of Andhra Pradesh request the Central Government to revert the NPR exercise to 2010 format and as such we request the process be kept in abeyance till such time.
3. Government of Andhra Pradesh reiterates its principled stand against National Register of Citizens (NRC).

Yours faithfully,

Amzath Basha Shaik Bepari
Deputy Chief Minister
(Minority Welfare)
